Head Master's Message

Welcome to Noblesse International School in Angeles City, Philippines. When you walk through our doors, I am sure you will see that Noblesse International School is dedicated to inspiring a passion for learning and encouraging emotional and intellectual vitality. We continue to empower our students with the confidence and courage to contribute to the global community and supply them with the tools necessary to achieve their dreams. In our classrooms and as a learning community, we continue to pursue a balance that provides a strong academic preparation with opportunities for students to achieve their learning goals.

Noblesse International School understands that students are individuals who learn in varied ways, develop at different rates and bring a wide variety of talents and interests to the classroom. At Noblesse, we foster the relationship between students and their teachers. The concept of the "Whole Child" is fully understood by our faculty and staff and is the basis of our curriculum and professional development. Our faculty and staff are devoted to assisting each child grow intellectually, socially, physically, emotionally and civically.

We believe that education should be global in its scope and broad based in its implementation. With the diversity of the world in which we live, we believe that we should execute lessons that are not just appropriate but that instill in our students an excitement towards learning.

Eastern values, Western education

Noblesse International Schools common focus is on Eastern values and Western education. This blending of values and education is quite unique and can't be found anywhere else in the world. These tenets are embedded within the American curriculum used by the teachers.

Internationally recognized assessments and instructional programs

We are committed to international standards providing internationally recognized assessments across our proven and successful study pathway:

Certified, English speaking teachers from around the world

The culture of learning at Noblesse ranges from the Science labs, or on the sports field, through activity-rich classrooms, or in our music department — is a creative, active and memorable experience. We hire and retain exceptional educators who focus their energy and expertise on developing students holistically, and, therefore, foster the habits of mind, life-worthy skills and dispositions that learners require to develop into responsible, productive and ethical global citizens.

Together, as a faculty, they provide a well-rounded education to create students who are:

confident and creative individuals;
creative and technical problem solvers;
effective communicators; and
culturally literate and sensitive citizens of our 21st century world.

Vibrant and challenging international school

Whether reviewing our admissions procedures, perusing our website, or walking through the Noblesse campus, you will get a vivid sense of our genuine commitment and enthusiasm for the education of young global citizens—the promise of the future. We believe in our common purpose of learning and growing together. And, upon meeting our fantastic students and faculty, you will note that something unique is unfolding within this venerable learning oasis!

In closing, I wish to welcome you to a school year that promises to be filled with excitement and discovery. Our dedicated team of professionals has set high goals so I encourage you to become part of our school's development and share our educational journey. Rest assured that your child's well-being is our top priority and we welcome you to Noblesse International School.

Truly,

Mr. Dwayne Lehman
